Corporation site in Plymouth, Massachusetts; the
Gilson Road site in Nashua, New Hampshire; and the

hereinafter collectively referred to as the Sites

Dear Mr. Thomas:

This is further my letter to you of April 30, 1986, and
supplements Gregory L. Benik's letters of April 30 relative to
the captioned matter.

In order to permit both Olin Corporation ("Olin") and Olin Hunt
Specialty Products Inc. ("Olin Hunt") to completely and
accurately respond to Mr. Hohman's letter of March 28 and the
letters from the Commonwealth of Massachusetts and the State of
New Hampshire, we will need a copy of all documents, data and
information in the possession or otherwise under the control of
the Environmental Protection Agency concerning Olin's and Olin
Hunt's use of the captioned sites. Such data, information and
documents will facilitate the response to Mr. Hohman's March 28
letter and the correspondence from the Commonwealth of
Massachusetts and the State of New Hampshire.

We appreciate your prompt attention to this request. Moreover,
please be advised that all correspondence from EPA, the
Commonwealth of Massachusetts and the State of New Hampshire
should be directed to the undersigned who is acting as counsel
to both Olin and Olin Hunt. Mr. Benik's letters of April 30
were sent to you due to the fact that I was traveling outside
of the United States during the week of April 28 and both Olin

Very truly yours,
